OVERDEVELOPMENT is destroying our quality of life with traffic jams and air pollution. This leads to school overcrowding, loss of open space and recreational opportunities. Our water supplies are overtaxed and oak covered hillsides are disappearing.

As councilman I will:

Be accessible (284-5613) to the public and champion SMALL BUSINESS concerns.

Ensure adequate schools with new development.

Support our sheriffs, fire department and more housing for seniors.

Strengthen our good public transportation and promote bike friendliness.

Enforce Ridgeline, Oak Ordinances and 5 acres of park per thousand residents.

Work with agencies to ensure ADEQUATE WATER and protect our river.

Fight the Cemex mine and Newhall Ranch that will make our freeways a parking lot.

Strive to annex Placerita Park and Elsmere Canyon.

Promote equal treatment for different city areas.

Qualifications:

SCV Resident: 24 years.

Married 34 years to Canyon High teacher, two children (teacher, engineer).

Parks and Recreation Commissioner: 4 years.

City Transportation Advisory Committee: 3.5 years.

Boy Scout Scoutmaster: 5 years.

Chair SCV Sierra Club leading hundreds of hikes: 9 years.

Problem solver/manager at: AMGEN, 3D Systems, Lockheed.

HENRY SCHULTZ is not beholden to big money and will represent YOUR interests.

**FOR  
MEMBER OF THE CITY COUNCIL**

**CAMERON SMYTH**

Four years ago, I promised to manage growth, expand our parks, increase local jobs, keep our community safe, construct more roads and assist with the opening of new schools. I kept those promises. Under my leadership the City has:

- Slowed home construction in the City to 235 homes a year
- Added approximately 2000 acres of parks and open space
- Created nearly 20,000 new job opportunities
- Remained one of the 10 safest cities in the nation
- Supported local districts with the opening of 5 new schools
- Built and improved critical road links

However, I am most proud to have led the effort to renegotiate our trash contracts saving over \$30 million to our residents and businesses.

Although much has been accomplished, more work remains. If re-elected I will:

- Continue to oppose developments that do not benefit Santa Clarita
- Improve traffic with additional roads
- Open more parks and preserve open space
- Recruit more businesses
- Ensure Santa Clarita remains one of the safest cities in the nation.

It has been an honor to represent Santa Clarita these last four years. With your vote, I promise to continue to ensure our City remains the premier community it is today.

**PARA  
MIEMBRO DEL CONCEJO MUNICIPAL**

**CAMERON SMYTH**

Hace cuatro años prometí controlar el crecimiento, ampliar nuestros parques, aumentar el número de empleos en la localidad, mantener a nuestra comunidad segura, construir más caminos y ayudar con la apertura de nuevas escuelas. Yo he cumplido con esas promesas. Bajo mi liderazgo la Ciudad ha:

- Reducido la construcción de casas en la Ciudad a 235 casas al año
- Aumentado aproximadamente 2000 acres de parques y espacios abiertos
- Creado al rededor de 20,000 nuevas oportunidades de empleo
- Seguido siendo una de las 10 ciudades más seguras del país
- Apoyado a los distritos locales con la apertura de 5 nuevas escuelas
- Construido y realizado obras de mejoramiento a las conexiones viales

Sin embargo, yo estoy muy orgullosa de haber dirigido los esfuerzos con el fin de negociar de nuevo los contratos para la recolección de basura ahorrándoles más de \$30 millones a nuestros residentes y negocios.

Aunque se ha logrado mucho, aún queda más trabajo por hacer. Si soy reelegida, yo:

- Seguiré oponiéndome a las urbanizaciones que no benefician a Santa Clarita
- Mejoraré la situación de tránsito con más caminos
- Abriré más parques y preservaré los espacios abiertos
- Atraeré más negocios
- Aseguraré que Santa Clarita se mantenga una de las ciudades más seguras del país

Ha sido un honor representar a Santa Clarita durante estos últimos cuatro años. Con su voto, prometo continuar asegurando que nuestra Ciudad siga siendo la excelente comunidad que es hoy en día.

**FOR  
MEMBER OF THE CITY COUNCIL**

**BOB KELLAR**

Age: 59

Occupation: Incumbent

Four years ago you elected me to the City Council. I pledged to build new and better roads, increase parks and open space, ensure developers maximize infrastructure and other amenities, and maintain a safe, clean city. I've kept that pledge and done a lot more towards making this city an even better place for our families to live.

During my first term, I participated on a number of important Council Committees:

**Budget**

With my participation, our City has maintained a fiscally sound budget permitting us to continue providing important services despite the State budget crises.

**Transit Mixed Concrete (TMC)**

We have managed to keep the TMC Mining Project "on hold" and are continuing the fight locally and in Washington, DC to prevent this project as proposed.

**Whittaker Bermite**

**Castaic Lake Water Agency**

Significant progress has been made in ongoing efforts to clean-up the contaminated Whittaker-Bermite site. We continue to provide the liaison between the concerned parties CLWA, Whittaker-Bermite and Cherokee Investments – to insure that meaningful discussions towards a full and complete clean-up continue.

If re-elected, I again pledge to serve you to the best of my ability in making certain that Santa Clarita remains the absolute best place to raise our families.
