Re: (Tract/Parcel Map No.)  
(Owner's Name)  
(Owner's Address)

Mr. Robert G. Newman, City Engineer:

Please be advised this letter serves as documentation to the effect that all utilities serving or crossing the above referenced map have been placed underground, or will be placed underground prior to the completion of this project, with the exception of high power electric lines. The construction of the underground utilities have been, or will be, permitted, installed and inspected in accordance with all applicable building codes by licensed contractors.

Sincerely,

(Owner's signature)  
(Owner's name)  
(Owner's title)

*(This letter, signed by the owner of the property being subdivided and on his or her letterhead, satisfies the requirement of documentation for the undergrounding of overhead utilities, Item D.5. on the Map Check Sheet.)*
