- Our newest member, Linda Hinz, mentioned that emergency responders will check an incapacitated victim’s cell phone for “ICE” as a contact in the victim’s phone list. ICE, should contain emergency contact and other information responders would need to know, either for contact information or medical issues regarding the victim.
- Discussions ranged from the above, to trucks using Newhall Ranch Road to avoid the truck scales, to traffic lights, to Emergency Preparedness, to everything in between.

The meetings were adjourned at 8:30 p.m. The next regular meeting is scheduled for Thursday, January 8, 2009 at 7:00 p.m., in the Orchard A&B Conference Rooms, 1st Floor, City Hall.

Going forward, we will be sending the current month’s meeting agenda, and the previous
