Thank you for expressing an interest in our Contract Class program! The City of Santa Clarita's Recreation and Community Services Division (RCSD) is dedicated to building strong communities and individuals through recreational and enrichment opportunities. Programs may be designed for preschoolers, school age children, teens, adults, seniors, or even families.

Become a Contract Instructor!

A "Contract Instructor" is an independent contractor for the City (Contract Instructors are not employees) who is interested in providing a service to the community in the form of a class, workshop, or camp. Instructors are contracted quarterly on a percentage split. This means instructors who use a City facility will contract on a 60/40 split, with the instructor receiving 60% of the revenue and 40% to the City; an instructor that uses their own facility will contract on a 70/30 split, with the instructor receiving 70% of the revenue and 30% to the City.

All who are interested in becoming an instructor must complete the Contract Class proposal and submit it to the Contract Class office.

How it works...

1. Potential instructor submits a Contract Class proposal
2. Contract class proposals will be reviewed for consideration as a City offered program if the course meets the established criteria (see criteria section below)
3. If the proposal meets the criteria, City staff will contact the potential instructor for an interview and perform reference checks
4. If accepted, City staff will contact potential instructor to schedule an Orientation
5. If denied, applicant will receive an email notification and the class proposal will remain on file for (1) one year
