

Primetime Preschool

Ms. Denisse

September Newsletter

Welcome to our Classroom

Welcome to Primetime Preschool 2019/20! My name is Denisse Mueller, and I am so excited to begin what is going to be great exciting school year! I love working with children and seeing their curiosity of the world around them, helping prepare them for the years ahead, and inspiring a love of learning. This year will be an amazing adventure, with so many wonderful and exciting activities planned!

If there are any questions or anything you would like to discuss, please do not hesitate to ask. I am available at drop off/pick up, can arrange an alternative time to meet, or by email at dmueller@santa-clarita.com.

Class Happenings

We begin the year getting to know each other and the classroom routines. Our theme for September is "All About Me" and is sure to be fun, bringing us together to learn about our new friends. We ask that you please bring in a family photo on September 26 and 27 as we will ask each student to share who is in their family photos. We will be returning the photos to you that day. Look for our "All About Me" projects that will be coming home!

Next, we begin our letter of the week activities with letters Aa and Bb. We will be working on ant crafts, alligators, and have a little taste of apples. For the letter B we will be singing "Going on a Bear Hunt," playing a bear matching game, making a bee craft, and coloring a bear page.

This month we will also introduce/review shapes and colors, begin PT3 monthly family projects, and PT4 weekly homework activities.

Upcoming Events

September 3 School begins!!

October 7 and 8: School Closed - Fall Break

Picture forms will be distributed in class with more information

October 17/18: Fall Pictures
