

# Primetime Preschool

Ms. Stacey

September Newsletter

Welcome to our Classroom

Welcome to Primetime Preschool 2019/20! My name is Stacey Forth, and I am so excited to begin what is sure to be a great school year! I love working with children to stimulate their curiosity of the world around them, help prepare them for the years ahead, and inspire a love of learning. This year will be an amazing adventure, with so many wonderful and exciting activities planned!

We strive to create a community within our classroom that facilitates a home/school connection. If there are any questions or anything you would like to discuss, please do not hesitate to ask. I am available at drop off/pick up, can arrange an alternative time to meet, or by email at [sforth@santa-clarita.com](mailto:sforth@santa-clarita.com).

## Class Happenings

We begin the year getting to know each other and the classroom routines. Our theme for September is "All About Me" and is sure to be fun, bringing us together to learn about our new friends. First, we meet Chester in the book *The Kissing Hand*. We hear his experience going to school for the first time and talk about independence and things we can do for ourselves. Our hands will help to make a friendship wreath and learn about things we can do to help in the classroom. Look for our "All About Me" projects that will be coming home!

Next, we begin our letter of the week activities with letters Aa and Bb. It is time for apple tasting, alligators, and acorns, bears, balls, and balloons!

This month we will also introduce/review shapes and colors, begin PT3 monthly family projects, and PT4 weekly homework activities.

## Upcoming Events

September 26 PT3 Teddy Bear Day

September 27 PT4 Teddy Bear Day

*Send a special Bear to spend the day with us in the classroom!*

October 2-3 Fall Pictures

October 7-8 School Closed - Fall Break
