September Newsletter

Welcome to our Classroom

Welcome to Primetime Preschool 2019/2020 school year! I am so excited to start my second year at North Oaks Park. I cannot wait to meet your children and start a great year of preschool. I have many activities, crafts, science experiments, art projects and just pure fun planned for your child.

I will be emailing out this newsletter each month to provide you with details of what will be happening in the classroom. This will include important dates and upcoming events. I encourage communication and am available at pick up/drop-off for questions or concerns. The best way to reach me is through e-mail at: TGONZALES@santa-clarita.com. If you need to reach me during school hours you can call me on the classroom phone at (661) 284-1454.

Class Happenings

We will start the year focusing on getting to know each other and becoming familiar with the classroom routines. Our theme for September is "All About Me". I will be sending home an "Owl About Me" poster for the 4's group that you and your child can have fun working on together. The 3's group will also have a worksheet sent home to be filled out together. We will talk about our feelings on the first day of school and meet Chester from the book *The Kissing Hand*. Towards the end of the month we will be gearing up for fall and discussing the Five Senses with some apple projects and tastings.

This month we will focus on the letters A and B. We will learn sounds, tracing and rhyming. We will review shapes, colors and numbers. A fun weekly homework packet for the 4's, and a monthly project for the 3's will be sent home for you and your child to work on together.

Upcoming Events

- | | |
|-----------------|--|
| September 25-26 | Apple Day: bring in your favorite color apple. |
| September 30 | 4's Picture Day 8:30 a.m. |
