November Newsletter

October was such a fun month for us! We enjoyed learning about nature and how everything changes in fall. We learned the letters C for Catina Cat, D for Dee Dee Deer, E for Ellie Elephant, and F for Francy Fish. We had a wonderful time at our fall party, thanks to all of our volunteers that helped out!

We also started having Class Helpers and they have done an extraordinary job! The children are also having a great time bringing in their shares and telling us all about them. This month's theme is 'My Family and Friends!' We will be learning about Thanksgiving, gratitude, and having a dessert potluck!

Class Happenings

November 4-8: Letter G is for Gordo Gorilla, painting with golf balls, gumball counting, and learning about gravity.

November 12-15: Letter H is for Honey Horse, habitats, hot cocoa counting, and painting with horses.

November 18-22: Letter I is for Inny Inchworm, making insect patterns, melting ice, and painting with insects.

We will also have our Thanksgiving celebration on November 21/22 at 11:45 a.m. The children will be singing some songs followed by a dessert potluck, so please bring your favorite dessert to share (store bought only)!
