Miss Denisse

January Newsletter

Welcome to a New Year!

We would like to thank all of you who contributed to our classroom celebrations and volunteered your time in the classroom during the holiday season. We had a great time learning about various holidays. Your children bring us so much joy every day, and they have accomplished so much in the time we have shared together. We are ready to start the new year and continue to learn and grow.

Class Happenings

We will celebrate “Winter Wonderland” in our class by making winter crafts, playing with “snow”, and melting ice as a science project. For each letter, we will continue to focus on recognition and sound. We will play limbo for the letter Ll, sing “No More Monkey’s Jumping on the Bed” for the letter Mm, and practice our fine motor skills by hammering nails for the letter “Nn”. We will also incorporate the numbers 4 and 5 as well as the triangle and rectangle shapes.

Upcoming Events

January 1: Tuition Due! Please pay by one of the options listed in the Parent Handbook.

January 20: No class today as we observe the Martin Luther King, Jr. holiday.

January 22-23: Priority enrollment for current 3-year old students. Online registration only. Please refer to informational letter.

Reminders

Progress reports will be distributed this month for PT 4’s. If you have any specific concerns or questions, please feel free to speak to Miss Denisse before or after class.

Great job on remembering to use the restroom before class and for putting hand sanitizer on every morning. Let’s try to still keep our classroom germ free.
