January Newsletter

Welcome back and Happy New Year to all our Primetime families! We hope everyone had a fun and relaxing winter break. December was such a fun month with learning about holidays and having a pajama party! We learned the letter J for Jerry Jellyfish and K for Kayo Kangaroo. We are continuing to practice writing our names and working on our cutting skills. This month's theme is "Winter Wonderland." We will learn about the winter season and hibernation.

Class Happenings

January 13-17: Letter L is for Lizzy Lizard, counting and painting with Legos, and launching catapults.

January 21-24: Letter M is for Missy Mouse, painting with marshmallows, playing mitten memory, and learning about magnets.

January 27-31: Letter N is for Nigel Night Owl, painting with noodles, identifying numbers, and going on a nature walk.

Progress reports will be distributed this month. These are an informal assessment to provide you with information on how your child is doing, their accomplishments, and where they need more practice. Please remember that we all have our strengths and weaknesses and we all develop at our own pace! If you have any specific concerns or questions, please feel free to speak to Miss Jennifer before or after class.

Upcoming Events

January 20: No class today as we observe the Martin Luther King, Jr. holiday.

January 22- Scholastic book orders due. Online code is P8BZ4
