

LEEVE CERTIFICATION

Project Number: N0001

Project Location:
Citywide.

Description: This project involves the certification of all levees within the City. The City of Santa Clarita has 18 identified levees within its boundaries, totaling approximately 8.0 miles. Levees within the City's boundaries must meet the 100-year flood protection guidelines.

Justification: The Federal Emergency Management Agency (FEMA) is requiring each jurisdiction to certify all levees within their boundaries. Staff has been working with FEMA to determine which levees meet the criteria that would mandate their certification. The City has 2 years to comply with this mandate.

Project Status: In progress. **Department:** Public Works **Project Supervisor:** Damon Letz
